

Deen Dayal Upadhyaya Greeman Kaushalya Yojana (DDU-GKY)

The Institute is one of the Project Implementing Agencies (PIAs) to the Government of India's flagship program DDU-GKY in the state of Telangana. Currently, the Institute is offering 8 courses under the scheme. All these programs are placement-linked, short-duration, ranging between 576 to 832 hours, and residential courses offered free of charge to the youth aged between 18 to 35 years. The programs are monitored by EGMM (T)/NIRD&PR and assessed & certified by either NCVT/SSC.

Salient Features

- NSQF aligned courses as per NCVT/SSC standards.
- Course duration between 576 to 832 hours.
- Domain/technical training as per the standards.
- Non-domain training such as communication skills, etiquette, soft skills, etc.
- Industry collaboration and industry oriented training.
- Latest technology and modern equipment.
- Assessed and certified by NCVT/SSC or SRTRI.
- Exposure visits, guest lectures, etc.
- Assured placement after the training.
- Guidance for self-employment.
- Continuous monitoring and career guidance for 1 year minimum.

Admission Criteria

Applications are received round the year from the eligible interested candidates. The Institute follows reservation criteria as per the norms and suitable candidates are selected through a screening test. Candidates who are pursuing their education or not interested to take up either wage/self employment, are not considered for admission.

Residential Status

The Institute has two hostels exclusively for boys and one for girls. About 300 candidates can be provided hostel facility at a given point of time. The candidates covered under sponsored schemes like DDU-GKY can avail free boarding and lodging. For others, it is available at cost.

Extension Training Programs

Some of the programs of the Institute are offered through extension mode by way of setting up extension training centers across the state. In partnership with a local NGO or government body, the Institute sets up an extension training center in the villages or Mandal head-quarter and trains the local people, free of cost. Presently, the Institute has 45 such extension training programs on going in the state. The local youth and women can undergo training in locally sustainable trades in these centers for taking up either wage or self-employment.

How to reach the Institute

The Institute is located at Jalalpur Village of Bhoodan Pochampally Mandal, Yadadri-Bhuvanagiri District, Telangana State, which is 42 km. away from Hyderabad Central Bus Station. TSRTC buses are available from Dilsukhnagar, Hyderabad heading towards Bhoodan Pochampally (Via Kothagudem stage, located at 35 km milestone on Hyderabad-Vijayawada National Highway). The Institute works on all working days between 10.30 am to 05.00 pm.

Information Brochure

2018-19

Swamy Ramananda Tirtha Rural Institute (SRTRI) was set by the erstwhile Government of Andhra Pradesh in the year 1995 for proactive rural development initiatives on the ideology envisaged in the National Policy on Education (NPE) 1986. It was inaugurated by the former Prime Minister of India Late Sri P.V.Narasimha Rao with a core mission to promote rural entrepreneurship and sustainable employment promotion among youth and other vulnerable sections of the society. Presently, the Institute is working under Department of Panchayat Raj & Rural Development, Government of Telangana. SRTRI strongly believes on the holistic development of human resources, empowering the poor in several interrelated aspects of human development viz. technical skills, interpersonal skills, entrepreneurial skills, personality development skills, etc.

Skill Development Training

National Policy for Skill Development and Entrepreneurship set out a target of skilling 400 million youth for different jobs by the year 2022 and accordingly, there is a separate ministry of Skill Development and Entrepreneurship formed with NSDC, NSDA and SSCs as core wings of skill development mission. SRTRI is actively engaged in this gigantic task of skilling the youth, offering several short-duration skill training courses in sectors like apparel, automotives, construction, electrical, electronics, IT & ITES, renewable energy, etc. All these courses are aligned to National Skills Qualification Framework (NSQF) as formulated by either NCVT or Sector Skill Councils.
